

PRODUCT ANNOUNCEMENT

We are excited to offer you our new line of straight-through, single plane swivels. The swivels are available in 3/4" and 1", and come complete with clamshell packaging, making them ready to hang on any display. Manufactured by OPW for Tuthill Transfer Systems, they are UL approved, include the UPC bar code, and the information card is tri-lingual (English, Spanish, French).

These swivels will be available beginning April 20th. Get your orders in today!

3/4" Swivel POS Packaging

1" Swivel POS Packaging

Please contact your Tuthill representative if you have any questions.

Tuthill specializes in manufacturing high quality fluid transfer products for construction, agriculture, mining, public works and others who want peace of mind and a sense of pride. Peace of mind because they know Tuthill people are dependable, and a sense of pride because they know they have chosen quality and value.

Rest Easy – It's Tuthill

Regards,

Jay Boester
